

The Valley V-8's

Hello V-8ers!

On the 18th. of July meeting, the ballots of offices were counted and though some elected members were not present, it seems as though we have all eight offices filled. The following are the newly elected officers.

1. President - Jim Rowe
2. Vice President - Dick Berry
3. Secretary - Bill Hodgson
4. Treasurer - Dick Berry
5. Director - Paul Meske
6. Editor - Doug Peterson
7. Historian - Francis Fuerstenberg
8. Activities - Ed Harden

It was also voted that all office terms will include 1971 and 1972.

The second proposition for incorporating with the National club was withdrawn from the ballot as was not valid. Our chapter will be joining the National club.

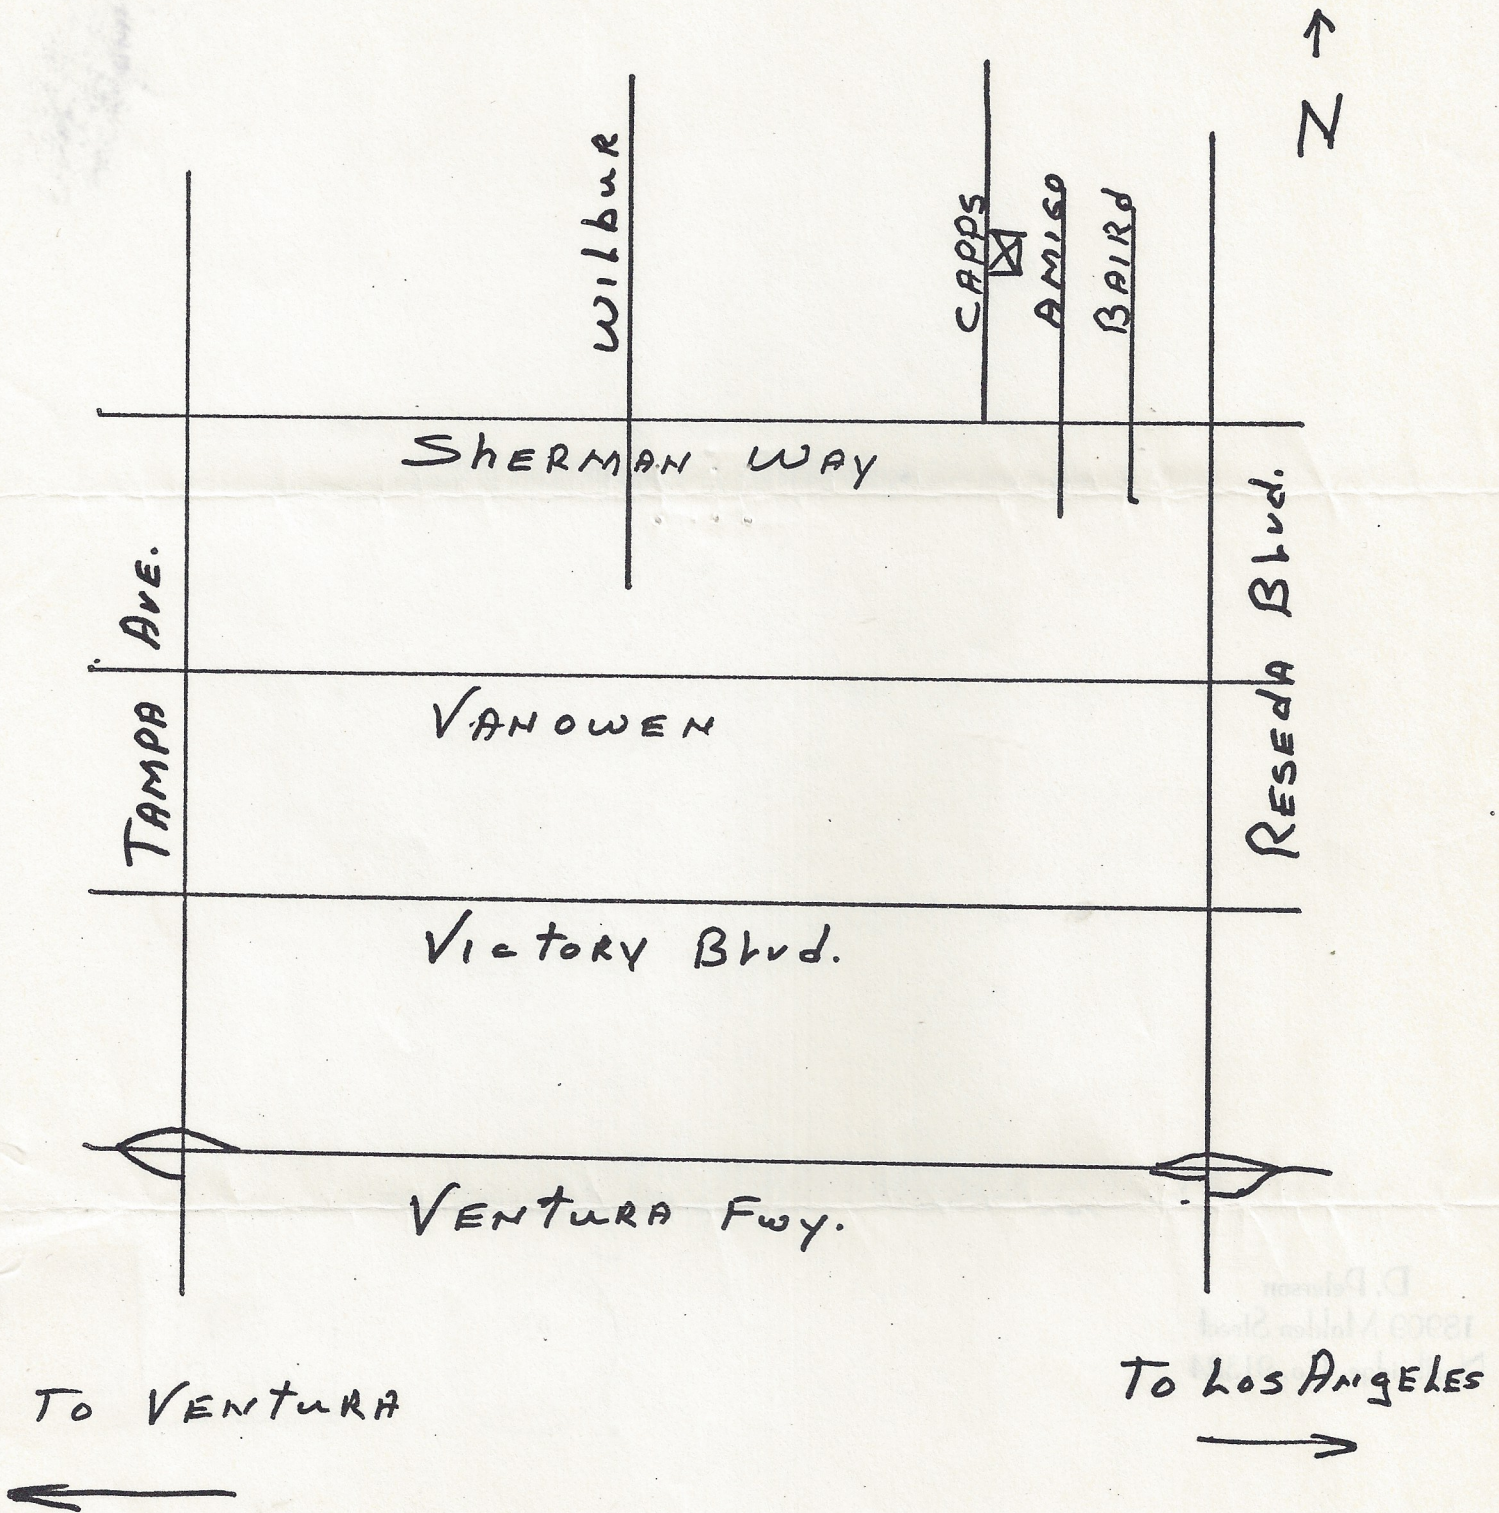

The name for this news letter is the Valley V-8s as of this issue.

Our last meeting was held at the home of Don McDonald. Don has volunteered his home for our next meeting as well. Next meeting will be August 15th. at 7:00 PM. (see map)

Our next scheduled club outing is not until October 3rd, at Bush Gardens. This is a long ways off and the summer weather is a wasting, so lets get together at our next meeting and come up with more outings.

The club has a display board for which pictures of all members cars can be displayed during outings, swap meets, picnics or what ever, so bring your favorite picture with you or mail it to Doug Peterson, 18909 Malden St. Northridge, Calif. 91324.

Hope to see more members at the next meeting.
