

The Valley V-8's

Hello V-8ers:

Our chapters charter has been accepted and received. We are regional group #40. Thanks to our new club secretary Bob Wilson we now have a monthly meeting hall. It is at Valley Federal Savings and Loan, corner of Reseda Blvd and Nordhoff St. The address is 9000 Reseda Blvd. Northridge. Bob was able to secure the hall free of charge. Good work Bob!

Bush Garden Tour: As you know on October 3rd the club had its first tour and as we hoped, it was a fine days outing. Combined with members from South Gate we had twenty two early V-8s..

New Officers: Due to the inability of the elected Secretary and Activities Chairman to act in their offices because of other commitments, a special voice election was held electing Bob Wilson as secretary and Sheldon Harriman as Activities Chairman.

Swap Meet: An auto swap meet is being held at the Pasadena Rose Bowl on an experimental basis, the date: October 24th from 9:00 am to 4:00 pm. Jim Rowe and Paul Meske have two spaces there and will be selling their extra parts. Anyone interested in selling parts contact Jim or Paul.

Future Activities: The San Fernando Valley Mission Tour which was postponed due to the heat was re-scheduled for Sunday November 7th. Lets hope the weather is better by then. Also the tour was changed to eliminate a lot driving. We will meet at San Fernando Mission at 8:30 am. Possibly we can tour the mission before proceeding to the Oak of the Golden Dream park.(see map) There will be a barbecue, plus volley ball game. This is the spot where gold was first discovered in California.

New Members: The club welcomes W.T. Barker, he is a new member. With this letter all members should have a packet of new member invitation letters. Use these whenever you run across a nice stock early Ford. (W.T. Barker's address: 1801 Westridge Road, Los Angeles, Calif. 90049. Tele: 213 GR 2-4394

Coming Activities:
