SAN FERNANDO VALLEY CHAPTER 40  
of the EARLY FORD V8 CLUB of AMERICA

PRESIDENT'S MESSAGE

Don't forget Sunday August 1st is GORDON CHAMBERLIN night with The Valley V-8's. It's always a pleasure to have him around, with his knowledge, interest, background and experience. We can all learn something. That's our regular meeting, Sunday, August 1st at 7:30, Valley Federal Savings & Loan.

Pizza Night has been set up for Monday evening, September 13th, at ROUND TABLE PIZZA, 20141 Roscoe Bl., at Winnetka, Canoga Park. This is a new location for our outing, so don't go to last years locale. We are inviting other car clubs, and are giving away three peoples choice trophies for vintage and unusual vehicles. John Busk and Don Dupree have set up the event. See details in this Drive Lines. It's our last fund raiser of the year, so come hungry and go home full. The fuller you are, the fatter our treasury....

In October we are planning a club event and touring to FORD FUN DAY at LaPalma Park in Anaheim. This will be a family event so bring the loved ones. Plan for a picnic lunch. There's a fast food restaurant across the street (Carl's Jr.) if you don't feel like lugging the basket and cooler. Details at the August meeting. There is no September meeting, Pizza night will cover that month.....

Also at the October meeting, we are taking nominations from the floor for the 1983 officers. The Board of Directors will meet in September and work on a slate of nominees which will help you in your selections. If asked to serve please don't hesitate. It's your club, and without you it is dead. See you August 1st.

SECRETARY SEZ . . .

Early Fords driven to the 11 July 82 meeting were as follows:

Chuck Mair	'41 Coupe
Jim Sullivan	'34 Pickup
Gene Wilson	'31 Roadster
Harold Selson	'36 5w Coupe
Don Dupree	'34 Cabriolet
Ralph Froiland	'40 Convertible
Dick Chutuk	'33 Tudor
Ben DiFatta	'36 5 w Coupe
B. V. Terry	'37 Pickup
Bill Culp	'29 Roadster
Frank Williams	'40 Fordor
Bob Rose	'58 Sputnik

They're looking for old photos of club members and their cars of the past for the news letter. There may even be some guess who contests.

Larry Caplan hosted a sumptuous 4th of July barbecue and pool party. That's the kind of board meeting I like. The major topic of the board meeting and the general meeting was the coming elections. Little Prez wants to be sure there are multiple candidates for each post. It won't be easy to get people to step forward - if you're interested in a position, let us know - I'll nominate you or what ever it takes (She'll be the skill).

We got jacked around a bit by San Sylmar but I guess everything will turn out OK. Pizza night will be 13 September at the Roscoe/Winnetka Round Table (3 trophies will be given). We'll do a club tour to the all Ford Picnic at La Palma Park in October. The Xmas party at Saddle Peak Lodge will cost \$25 per couple - don't know what happens to stags.

Alby Cortes forgot his badge - sorry Alby; that cost \$10.

Jim Sullivan donated some of his V-8 golden anniversary pins - I hope he'll bring some to Deuce Day (1 August).

Don Dupree showed us films for the main course. First was the Schlitz commercial that featured Don's '34 Cabriolet (the beer was only a supporting actor). The second feature was a "Crime Doesn't Pay" flick starring everybody from Bonnie and Clyde to Dillinger (the narrator was definitely member of the "moral majority") The final film depicted the tribulations of trying to sell some Scottish Clansmen on the virtues of possessing a Model T. We all had a good time.

MERLE NORMAN - SAN SYLMAR TOUR

Last Saturday (July 24th), The Valley V-8s met at Bob Rose's place, and after about an hour of snacking on fresh fruit, Danish pasteries, coffee, orange juice and wine, the group in fine spirits and many vintage vehicles made the grand tour to San Sylmar, (about 6 minutes driving time!)

As some of you might not know, our tour was nearly cancelled completely, as The Merle Norman Co. is in the process of renovating the structure, and their tour procedure will be drastically cut down and modified. Anyway after threatening to cancel the tour completely, and some heavy persuasion by our president, the tour was rescheduled for 1:00 PM, rather than the original time of 10:30AM. This was done as a special favor to The Valley V-8's, as the tour guides were not scheduled to work that day, and only did so to accomodate our group.

Anyhow, the tour was a success, and only one member of our group was a no show. There were three family cancellations, but that is understandable. This certainly speaks well for our group, and our deepest thanks go to The Merle Norman Co, for their cooperation and efforts to make our tour a success.
