VALLEY V8's
NEWS AND NOTES
August 1986

LAST MEETING. Larry Caplan kicked off a great evening by leading a discussion in the parking lot at our Valley Federal Savings and loan meeting place on the differences between 1939, 1940 and 1941 models of Ford V-8's. At least eleven of you brought cars for Larry to use as examples. As we expected, Larry gave an outstanding presentation. In addition to the feature models, there were at least ten other Ford V-8's in attendance. Thanks to those of you who drove your V-8's.

Ed Warnock and Larry Caplan filled in after the very short notice cancellation of our featured speaker with impromptu presentations. Ed gave an overview of restoration considerations. And Larry showed some slides he took several years ago of an old car wrecking yard in the Midwest. Thanks to both of you for your support.

Another person who stepped forward in a pinch was Pat Berry. Pat went to the market and purchased coffee and cookies then donated them to our club. I feel very grateful to be associated with such a supportive and giving group of people exemplified by Pat. Jack Kelegian called me after the meeting to apologize to all of us for not putting the meeting in his calendar.

ORPHAN FORDS FEATURED at our next meeting, Sunday August 3 at our regular

place, Valley Federal Savings and Loan on the Southwest corner of Nordhoff St. and Reseda Blvd. We especially would like to see 1937, 1938 and 1942 pre war models and 1946 through 1953 post war models. Bring out the years that we don't usually get to appreciate and show them off.

FORMAL PROGRAM 7:30 pm Sunday, August 3. Several of us took pictures and slides at the Fords 'N Flowers '86 Western National Meet in Victoria. I personally took over 300 slides. Those of you who were not there can share our fun and those of you who were can remember the good times. See a picture of each car that was on the concourse. See some cheesecake featuring Jerry Blackwell and Merle Fourez. See the beauty of Butchart Gardens. See the lovely sights of Victoria. This is a must see program.

DRIVE YOUR V-8 AWARDS. Don Dupree continues in the lead with perfect attendance. John Wolf and Pat Berry are close behind tied for second place. The balance of the top ten are:

Chuck Mair
Bill Woods
Virginia Wolf
Jack Kelegian
Bob Rose
Doug Peterson
Harold Selson

Bev Dupree drove her and Don's 1934 Cabriolet to put them in the running for the couples award. The August meeting is worth high points for driving your V-8 to the meeting, so see you there with a car.

Valley to have lunch and tour some winerys. A Mexican dinner is planned in Buellton. After dinner some may choose to return home. Those who stay overnight can spend the next day visiting places like Solvang and the Pioneer Museum in Santa Ynez. John's phone number for questions is (805) 647-3494.

ANNUAL PIZZA NIGHT. John and Bonnie Busk are again going to host our Annual fund raising Pizza night on Monday September 8th. It will be held at Round Table Pizza at the corner of DeSoto and Roscoe in Canoga Park. Festivities will begin in the parking lot at 6:30 pm. Remember this is a peoples choice car show so bring your prize for display. This also is the night where you can earn the highest possible points toward the "Drive Your V-8 Awards".

PASADENA BRUNCH TOUR. Dudley Oschner is working on a tour to the Peppermill Restaurant in Pasadena for a brunch on a Sunday, either September 14th or 21st. The plan is to coordinate with four California Regional Groups; San Fernando Valley, Ventura, Baldy View and Southern California. Keep tuned for more information.

DOUG PETERSON'S BOTHWELL CAR COLLECTION TOUR. Doug is working with the Verdugo Vintage Car Club to tour to Bothwell's auto collection in the San Fernando Valley, probably the end of September.

MEETING PLACE. Beginning with the October meeting we are without a facility. Valley Federal is leasing

BOARD MEETING. Christine and I request the presence of all 1986 officers and their wives or friends to our home at 3419 Longridge Avenue, Sherman Oaks (818) 986-9174 on Sunday, August 17th at 2 pm for a board meeting. We will be delighted to have other members attend. A buffet and refreshments will be served so please come with an appetite. Some agenda items are:

Decide if changes, additions or deletions to officer roles and responsibilities should be made.

Consider candidates for 1987 club offices.

Decide if interest should be earned on club funds.

Decide how club funds should be utilized.

Decide whether to continue membership in the Association of California Car Clubs.

JOHN POWELL'S SANTA YNEZ VALLEY TOUR. On Saturday, August 16th John Powell is leading a tour of wineries in the Santa Ynez Valley. The tour will begin at 10 am by Santino's Pizza, 35 West Main Street, Ventura. It will then go to Santa Barbara and on into the Santa Ynez

their meeting room. If you have any ideas on where we can meet permanently, please let me know.

PUTTIN' ON THE RITZ- Bend, Oregon 1987. The Early Ford V8 Club of America Western National Meet is scheduled for August 4-8, 1987. It is being held at a beautiful facility- Inn of the 7th Mountain. I understand Jay Harris, who put on a well organized, fun tour to Victoria, is already planning one to Bend. Christine and I will be there. Will you join us? A schedule and registration form are included with this newsletter.

SECRETARY. Our Secretary, Julie Blackwell, brings a welcome level of enthusiasm and competence to her office. Special thanks goes to Virginia Wolf who has filled in for Julie the last couple of months.

See you at the meeting on August 3rd.

Dave Sanborn

Dave Sanborn asked for volunteers to write the names of our guests on the blackboard. John Kemmerer did the honors. Cliff & Marty Escover Driving a 49 Ford and Kliff Barnett & Kurt Wedberg. Hope to see you guys in the future at lots of meetings. Please see Terry Smith for membership information.

Larry Kaplan and Ed Warnock gave the talks in the parking lot starting from 39 to 41 fords. They both did a fine job. Thanks guys!

We were notified by letter that as of August 1, 1986 our meeting place will not be available to our club. After pizza night we need to find a new meeting place. Dave asked members for suggestions for a new meeting place. Ed Warnock had a lead on an old firehouse in Canoga Park. Any suggestions please phone Dave Sanborn or Julie Blackwell. Thank you for your help!

Dave Sanborn gave a little talk about Fords and Flowers 86. We really had a great time in Victoria. The Canadians were more than hospitable to us. They blocked off the streets for our concourse. Two whole streets. The Day of our concourse it rained on our cars but it was so beautiful a little water was no problem. To top everything off at the awards banquet they had the theme car 36 Roadster, a 53 Merc and a 34 Roadster on the stage as the setting. Talk about being impressed I WAS!!! More On Fords and Flowers Later!

The club is planning a tour with the So Cal group to meet in some restaurant in Pasadena as a joint Tour.

We had a great show of cars with lots of people attended. That's great our club is really growing. We really need to get more cars out on the local tours its so much fun when theres more cars, and we can really make lots of commotion !! Lets see you out there!!

John and Virginia Wolf were in Big Bear recently and saw our raffle car at a meet. Owner said he purchased the car for \$2000.00 and is really interested in the details about the car. Hope to see him at a meet sometime. Thanks Virginia and John for that information.

Also another thanks to Virginia for taking the minutes again this month due to my absence.

See you in a V-8
