PRESIDENT'S MESSAGE

The Parts auction was an reasonable success. As compared to several years ago I am sure that it was less exciting. But in those days there were many more parts around and at much cheaper prices. So for our auction to make a significant contribution to our Club treasury speaks very well for the Club spirit. My compliments and thanks to those club members who helped make the auction a successful evening. Special thanks goes to Jay rtman for contributing a panel truck which did bring the \$100.00 minimum bid. And, of course, our thanks goes to Bill Nortin for having the auction. Our June program (June 5th) will be handled by Jack Miles - as previously mentioned, Jack has a lawyer friend and will speak to us concerning the spiral handling of antiques and collectable items in estates. Should be an educational evening. Please attend the meeting so we can extend the courtesy of a good attendance to Jack's speaker.

We have some planning to do in order to complete the balance of the year. We need programs for July forward. Ed Warnock, Jerry

Jensen and Russ Sylvis have volunteered presentations so we really need to find two more speakers. The Christmas party, I believe, counts as one program. We will also need tours for July and August. We have the September Tour covered with a joint meet and picnic with the Model "Ts" and Model "As". If any one has a good idea for a good tour - please let us know.

The new roster for 1988 will be out probably next week.

Please note: We do have some business to discuss so will need to have officers meeting at 7:00 prior to this Fourth of July meeting.

++++ TEQUILA WILLIE'S TOUR +++++

On May 15th, the sun was shining as brightly as the 13 vintage Ford products, one Buick, and one Chevy departed on the forty minute drive to TEQUILA WILLIE'S Sunday brunch.

Take off time was 9:00 AM and believe it or not, all 15 cars and 39 hungry souls were ready to go. We pulled out of Balboa Park at 9:10, led by Bob Rose, organizer of the tour, arriving in Manhattan Beach at 9:50 (on the dot).

The dining extravaganza of the year was topped off with a "Macaroni Guessing Contest" (how many macaronis in a jar) won by Carole and Jerry Jensen. It's not true that Ben DiFatta opened the jar and counted them one by one. The winning count was 265, Carole and Jerry guessed 260; not bad.

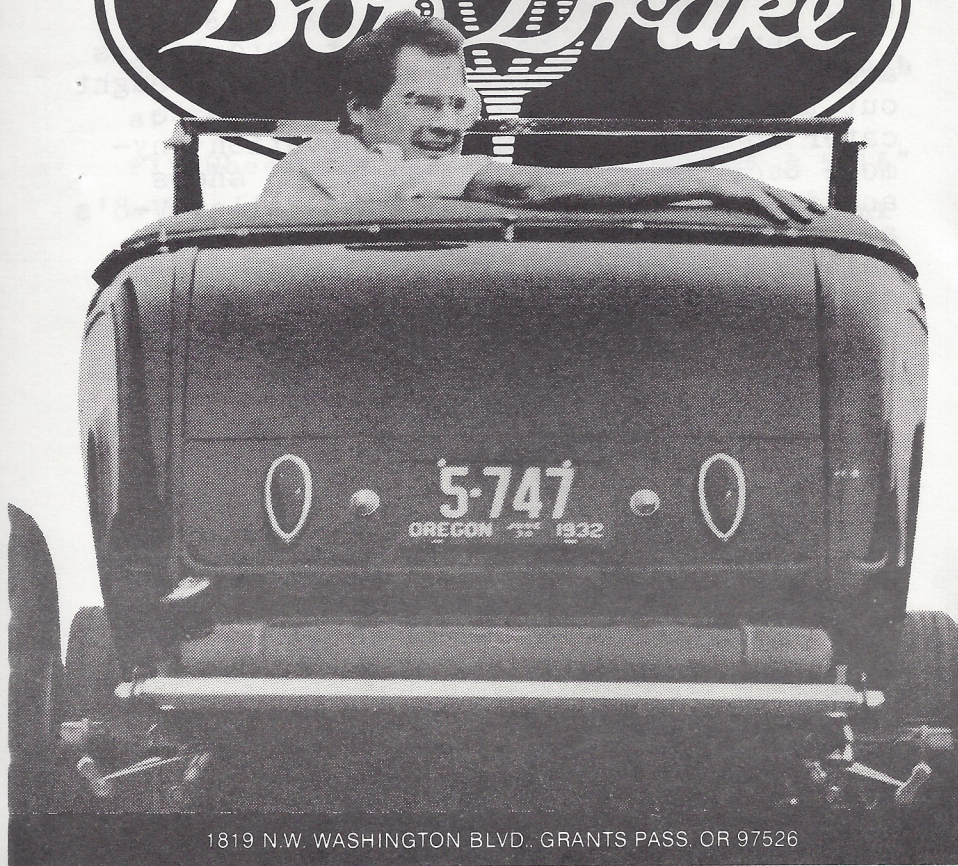

Never let it be said that Ford lovers are not hearty eaters. It was also brought out that the restuarant doesn't like to cater to large groups by reservation anymore because of cancellations, no shows and disturbance creators. The Valley V-8's are considered the exception, and always welcome. Congratulations Valley V-8'ers on the most well attended tour of the year and thanks to TEQUILA WILLIE'S for having us.....
