PRESIDENT'S MESSAGE

Once in a while, things go along as planned. Such was the case with our July meeting. I had planned to have a relaxed meeting with plenty of Ford talk and friends just getting together and visiting. That is exactly how the July function developed. Mostly because we forgot the key to the meeting room and wound up as guests at John and Virginia Wolf's home. We all enjoyed their hospitality as well as seeing John's garage and shop. Certainly we extend our thanks to John and Virginia for extending this courtesy to the Club. The meeting, much to my surprise, was well attended - not as large as our best attendance record, but a very good number of old Fords and members were present.

Our additional thanks go to Dave Sanborn for his car pictures. These pictures were excellent, and sparked some interesting conversation - both from a novice and a

judges point of view. Jack Miles brought the refreshments and we sure want to thank Jack for that effort also. Our compliments and congratulations go to Paul and Debbie Montroy on the birth of their son and for bringing him to the meeting. His name is Christian Blair, he is ten days old, is a handsome boy, and is obviously off to a good start.

I am especially pleased to announce that Gerry Blackwell is our new Assistant Secretary. Julie, our regular secretary, has had her hands full with other demands. Therefore, Gerry volunteered to fill the responsibility when Julie is unable to do so. For those of you who are not familiar with Gerry, I can advise you that she is a tireless supporter of the Club, and has done a great deal of work for our organization these past years. I am very happy that Gerry has made her talents available to us when Julie's time is required elsewhere.

I understand that 40 Ford Day was a tremendous success. Naturally, I missed it also. My attendance record at several events including

parties, has been very disappointing from my point of view. Please do not consider my absences as showing a lack of interest on my part. My problems date back to late April, and as a result of Kidney Stones, Scar Tissue, etc., etc., I have had more problems than a hot running V/8. Anyway, patience is rewarded, and I believe that complete recovery is just around the corner- I hope.

You will notice in this bulletin, advice on our August 21st tour with the Model T and Model A groups. We hope to have a good turn out with our Fords for this outing. I hope you can all attend.

Also, at the August meeting, Ernie Baily will be present with the Club's accessory kit. Members will be able to buy "T"-shirts, radiator badges, and new members can purchase a name tag. Proceeds go to the Club. We also intend to include a few of these items as raffle prizes this month.

Jerry Jensen won the name tag drawing which netted him \$50.00. Jerry has had a good year,

having won several First Place awards with his beautiful car, as well as winning "Tequilla Willies" prize, and now the July prize money. Congratulations Jerry!!!!

Our program this month is being presented by Don Durkee. Don will talk to us about the cost of painting. Don is a long time Ford restorer, and a well regarded member of our Club. I am sure that his program will be most interesting. So far this year, several new members have joined our Club. I would like to take a moment to extend a warm welcome to the new members. We hope you will attend the meetings, and whenever possible, attend our activities. We have tried to provide programs which, while perhaps repetitious to some of our older members, will provide the new Ford enthusiasts with both restoration and maintenance techniques which will be useful.

There will be a Directors meeting prior to the August meeting. We will discuss and form a nominating committee for the selection of next years Officers. Please be present at 7:00 PM

for this meeting. The regular meeting will begin  
at 7:30 PM.

HOPE TO SEE EVERYONE THERE!!!!!!
