PRESIDENT'S MESSAGE

Our October meeting was not as well attended as usual simply because several of our members were back at the Hershey Swap meet. Even so, we had a good number of people turn out to hear Jerry Jensen talk on the restoration of top bows and irons. Jerry brought a Rancho full of top materials and parts for display and gave us a good program. If nothing else, we should have learned that the steel in top irons is quite soft and definitely subject to bending if mistreated. So when you are ready to haul that neat looking homecoming beauty queen around on your car, have her sit carefully - certainly not directly on the top irons!

I was pleased with the October program and am equally pleased about our November program. **Don Dupree** will talk to us about mechanical brakes. Don has considerable expertise in brakes generally and particularly with mechanical systems. I am sure Don will provide us with a lot of brake knowledge. Please plan to attend.

We have just about filled the roster for officers for the coming new year. A sample ballot will appear in this bulletin so that you will be advised and ready to vote at the November meeting.

Al Spencer has been working away at getting our Christmas Installation Banquet together and has now developed the menu and prices. Details will also appear in this issue of Drivelines. The date is December 10th and Al will start collecting for the event at the next meeting. Last year's dinner was well-attended and nicely done. We hope to do as well this year so please mark the date and plan to attend.

We have two other dates to consider. November 13th is the **Baldy View Car Show and Picnic** and they have sure been after us to make an appearance. I believe they plan to attend our Pasadena Brunch on November 20th which is the next very important date for our club. **Dave Sanborn's Pasadena Brunch Tour** has been a successful meet and promises to be even more so this year. Dave has done a lot of work talking up the event with the Southern Cal Ventura groups and I have talked it up with the Baldy people. It should be a grand

tour. As a reminder, the food has been good and the parking situation is excellent for our Fords.

I have already received my registration form from the "Fabulous Fords Forever" at Knotts Berry Farm this coming April 16, 1989. Seems quite early to start planning this event so they are apparently expecting a lot of cars. If you are interested in obtaining a registration form, call Wayne at 818-343-2091.

**NOTE:** There will be an Officers Meeting at 7:00 P.M. prior to the regular meeting. We will approve the nominees for the 1989 officers and discuss the forthcoming Christmas and Installation Banquet.

Best wishes to you all,

*Dudley Oschner*

( MINUTES)

Well kind of a light showing this month  
but we still had fun anyways.

The Baldy View car show is coming up, there  
should be details on the flyer in this  
newsletter.

Dave Sanborns breakfast is coming up.  
Please see the calendar of events for details.  
This is really a great breakfast, it's  
a nice short run and the food is great.  
Dave usually has a fun something planned,  
THE GUY IS SOOOOO CREATIVE!!!!!!!!!!!!!!!!!!!!

Also this weekend will be the annual All  
Ford Picnic at La Palma Park.

The V'8 club would like so send our best  
to the Culp's, we are all thinking of  
you!

Jerry Jensen gave a wonderful program on  
the restoration of convertible tops- and  
the people that needed to hear it the most  
were either in Hershey at a swap meet or  
live to far away in some dumb town in  
Oregon!!!!!! Let's try to get ourselves to  
these important lectures BOYS!!!!!!

Bill Culp was not present to collect a big  
WHOPPING \$10.00 for the name tag drawing.

A special and late congradulations goes out  
to the new Mr and Mrs. Paul Montroy. That's  
correct they tied the knot. That's probally  
why they were'nt at the last meeting. HA HA
