PRESIDENT'S MESSAGE

Thanks to Dave Sanborn for the slide show and narration on the Grand National meet 1988, at our January meeting. Dave had some interesting pictures not only of cars, but Greenfield Village and Henry Ford's Fairlane Estate. I certainly hope to make a trip to Dearborn someday. Ralph Hubbard had a great story of his trip to Dearborn in his '38 Ford. He had some misfortune, but it was overcome by some good fortune and some wonderful people in Nebraska. You will have to get Ralph to tell you though.

This is a repeat message from last month. **READ MY LIPS:** The annual Valley V-8s dues are due! Please bring your \$15.00, cash or check to Terry Smith at the February meeting. If you can't attend the meeting, send your check to Valley V-8s, P.O. Box 96, Reseda, CA 91335.

Now is not too early to start setting aside those surplus or unwanted parts for our spring auction. This is our only real fund raiser for the year. We need your donation.

The February program will be given by Cal Beauregard. Cal will talk on his career with the Ford Motor Company and the presidential Lincolns. This is one program you won't want to miss. If you have the desire to put on a program please let me know. I'm sure there are some of you that have never been asked, that have some knowledge or experience that would be appropriate for our club meetings.

When you get those articles, stories or pictures together for the Drivelines, send them direct to Chuck Mair instead of the P.O. Box. See you at the February meeting.

Jerry
