## PRESIDENT'S MESSAGE

Thank you, thank you, thank you, to all who made our May auction a huge success. Thanks to those who brought car parts, both new and old. Thanks to those who brought white elephants. And a special thanks to the ladies who brought hand made items that I'm sure took many hours to make. Thanks also to everyone who opened their wallets and checkbooks to purchase the MANY items for sale. The auction went smoothly with the assistance of Jack Miles and Vice-President, Craig Lapair. Collection of the money was handled efficiently and accurately by treasurer, Rose Gott with the assistance of Leslie Littner. How much did the auction bring in? Come to the July meeting and find out.

Due to the time needed to conduct the auction, we did not have a name badge drawing at the June meeting, so the July name badge drawing will be for \$40.00. Be there, and don't forget to wear your name badge to be eligible to win. Hope to see you there.

## JULY PROGRAM

*By Larry Caplan*

Our program for the July meeting will be about the 1935 and 1936 Fords. These two years are very similar in appearance and have been very popular among restorers and hot rodders for many years. Our speaker for this evening will be Dave Sanborn who has a fine collection of these cars and much knowledge about them. Dave's presentation will include a slide show of these vehicles and he will also draw from the recently announced 1935-1936 Restoration Manual being offered by the Early Ford V8 Club and advertised in the V8 Times. If you are planning on restoring a 1935 or 1936 model, this is a great chance to learn more about how they were built and what sources of information are available.

## THE YELLOW HOUSE TOUR

*By: Joe DiFatta*

Even without our President showing up, we had 36 members and guests that went on the 90 mile trip to Summerland.

10 classic Fords and "other autos" took off from Woodley Park onto Highway 101. Going at 60 MPH, we stayed up with the traffic.

Once at the Yellow House, we were escorted to our tables. Afterward, we had a raffle and then we were off to the stores. Some of us proceeded onto Santa Barbara, some to the Factory Outlet, and others found the local pub and enjoyed a Corona or two.

The "BooHoo" award goes to Don Stout..... On the way home, his new '40 Ford blew a head gasket, resulting in being flatbedded from Moorpark to his garage in Chatsworth.... a real "BooHoo".

I just have my old question to our membership... "What tours would you like to go on, and what would it take to get the ol' Fords on the road?" I'm at a loss. We were going to plan a trip to Peterson Museum, but I would be embarrassed to show up at the museum with only 20 people.

The good news is that the people that went on the June 27th tour, had a great time..... "What about the rest of the membership?"
