President's Message

Hello V-8'ers,

There was a good turnout at the End of the Summer Barbecue at the home of Steve and Sue Boskovich on September 11th. Those of you that weren't there missed a great time. It was nice to visit with some of you that we don't get to see very often. A big **Thank You** to Steve and Sue for their hospitality.

Some upcoming events and dates to note:

Oct. 30 Pasadena Historical Museum Tour and Lunch

Nov. 6-7 C & G Open House and overnight in Temecula

Note: The Fall Tour has been cancelled.

The last opportunity to earn points this year will be for attending the C & G Tour in November. The 2 members with the most points will receive \$100 and \$50 respectively, awarded at the Christmas Party on December 5.

I want to urge each one of you to consider what office you would be willing to serve in next year. There are several positions still available and if you have not served in the past, I assure you that it is something worth doing. It does not take more than a willingness to make the club a great experience for all of us. We will take a few minutes at the next meeting to try to fill these positions, so be prepared to offer your time and energy. Hope to see you at Baker's Square on October 5th.

As Always,

Rose

Editor's Corner

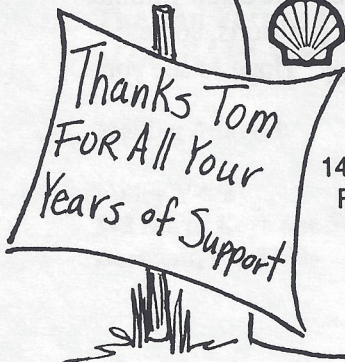

They say all roads lead to Hershey and about now, Durkees and DiFattas, traveling separately, are on one of those roads to the Chocolate and White fields. They'll soon be joined by the Boskovichs and Caplan. Acres upon acres of old cars and parts, surrounded by the smell of chocolate and autumn in the air. It's part car show, part picnic, part family reunion and part small town America, as you throw some change in the bucket and grab an apple, or a cup of cider. It's my "laughing place" and few things can compare.

Glad to see that Dennis Keene is out of the hospital and back on the mend. He'll be back at work, by the time you read this. Seems he's playing his cards close to the vest, re. our October program. All he'll say is "It's a mystery." (sounds like those guys that went to Hershey are going to be sorry they missed this one.)... Let's hope Dennis stays healthy and happy, as he gets ready to serve as our national director.

Welcome to new members Don & Julie Hopf, of Arcadia, and their '32, Three window coupe. Also, Marilyn & Tom Sears, of Idyllwild.

Too late for "parts call."... Joe DiFatta says that Wilson's Garage has two '46 Ford engines, that were used on wind machines, for sale, @ \$700 each. (805) 646-2213.

See you on the square, October 5th!

SAN FERNANDO VALLEY

At a recent S.F.V. chapter meeting, neighboring Southern California Regional Group brought a wide assortment of hilarious silent and sound movies featuring such stars as Laurel and Hardy, Charlie Chase, Charlie Chaplin, W.C. Fields and *many* early Ford V-8's. It was an evening full of fun, nostalgia and sadness. Fun, because who could watch films with such talent and not be entertained. Nostalgia, because of those beautiful NEW V-8's being used, taken for granted and driven with great abandon, since no one at that time realized the great role these cars would continue to play, on and off the screen, for years to come, and sadness because the simple, naive pure fun humor of that day seems to be such a lost art today.

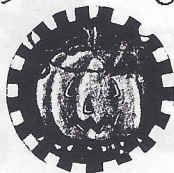

*Too much
of a good
thing is
wonderful.*
