## **CRUISIN' WITH STEVE MAY 30, 2001**

**TO ALL YOU FORD ENTHUSIASTS----HOPE YOU HAD A GREAT MEMORIAL DAY HOLIDAY.**

It was our typical weather; overcast and cool. Speaking of cool. How about that Bothwell Tour! It's hard to believe that there is still an operating orange grove left in the valley. And what a treasure hidden among the trees. The cars, trains, horse-drawn trolley cars, toy trains and auto memorabilia were awesome. Mr. Bothwell, Sr. began collecting cars in the early 20's and they still have his first car. Our sincere thanks to Mrs. Bothwell for her gracious hospitality and her willingness to share this great collection. Also thanks to Don Dupree and old friend, Tim Mc Henry for their history of the collection and guidance around the grounds.

Our auction was a great success last month. A lot of good stuff and some not-so-good stuff was brought and sold. I bought some of both. Thanks for fattening up the treasury.

Our gratitude to Gerry and Blacky for another fabulous Spring Tour! You outdid yourselves again. It couldn't have been better.

I will be out of town for the next meeting. Gary Glass will be in charge. Meet at Baker's Square on June 5, 2001 at 7:30.
